

It's Time to ***LOSE THE YOKE HARNESS***

This June, we are launching an exciting new campaign - **Lose the Yoke Harness!** Ox yokes are **large, heavy, cruel and inappropriate harnesses** often used on working donkeys. They cause **pain, injury, secondary infections and immense suffering.**

At Animal Aid Abroad, we are focusing on working with our partner programs to abolish the use of these archaic harnesses on donkeys through **education and the donation of humane harnesses.**

Along with funding humane harnesses, AAA will also provide working donkeys with reflector collars, which protect them from traffic collisions and attacks from hyenas or lions.

<<First Name>>, please help us reach our goal of raising \$36,000 this June to fund the provision of 500 new harnesses and cart conversions, saving 1000 donkeys from pain, injury and suffering.

Please make a tax-deductible donation this June by [clicking here](#) or by participating in our online auction [see below for details]. Small or large, **every dollar you donate or bid will fund humane harnesses, lighter carts and reflector collars for working donkeys, protecting them from unbearable pain.**

By donating before the end of the financial year [June 30th], you can also **claim your donation back on your tax return.**

Your support is greatly appreciated. 🙏

AAA are planning an online auction to support our Lose the Yoke Harness Campaign, which will **launch at 2pm (AWST) on Friday, 18th of June and end at 2pm (AWST) on Saturday, 26th of June.**

All items have been generously donated and will be available in our online auction. The auction will help us raise \$36,000 to fund 500 humane harnesses and cart conversions, thereby protecting donkeys from immense pain, injury and suffering.

Once the auction is launched on the 18th of June, you will be able to click on an item to learn more about it, then click the button to make your bid. Please be patient while bids are updated online, we will ensure that the highest bid for each item is the winning bid.

Just letting you know that, as a newsletter subscriber, you will have exclusive early bird access to our auction... stay tuned for more details...

Good luck everyone! 🍀
