

Sanctuary for Rescued Donkeys Upgraded

Tanzania Humane Charity (TAHUCHA) have been working hard over the past few months to **upgrade and expand our partnered sanctuary for rescued donkeys** in Bukombe. With AAA funds, the TAHUCHA team have finished putting in a much-needed well and have constructed a new yard. The expansion will provide more room for the 128 donkeys who currently live there and increase the sanctuary's capacity to house additional working donkeys in need. **Now, even more donkeys can be rescued or hospitalised for treatment at the TAHUCHA-AAA sanctuary.**

As we go to print, a brand-new donkey stable is also nearing completion, with only the final touches to go. The new stable is being **named in honour of Dianne Lawrence**, AAA's former treasurer. Dianne has been one of our backbones for 14 years and always fulfilled the requirements of her role with the highest integrity, efficiency and professionalism. **We now warmly welcome Yvette Price as AAA's new treasurer and are pleased Dianne will remain with AAA in another administrative role.**

Caring for India's Working Equines

During the first quarter of 2022, **many working equines in India have been provided with veterinary care through the AAA-funded Equine Program**, run by our partner group, Help in Suffering (HIS). The team assisted equines with conditions as varied as skin infection, leg wounds, a vaginal tumour and hoof laminitis.

Walk for Donkeys in May

World Donkey Day is coming up on the 8th of May. To celebrate, we are holding a **Donkey Awareness Walk in Perth Hills on Saturday, 7th of May at 10am.** Last year's walk was such a fantastic success, we are planning to do it all again!

On the day, we will walk together for 5 kilometres to celebrate these beautiful creatures and raise awareness of the devastating abuse and neglect millions of

working donkeys endure globally. **Everyone is welcome to join the event and we'll even have real donkeys walking with us!**

All proceeds raised will go towards providing **essential veterinary care, food and humane harnessing for donkeys, along with education for owners** to prevent mistreatment or neglect of their donkeys.

If you join us in person, you can donate on the day or buy our merchandise. For those who cannot make it, you can [donate any amount \(from \\$5\) here towards our World Donkey Day fundraiser.](#)
