

At Animal Aid Abroad, our supporters, members and donors are the lifeblood of our organisation.

As we all know, 2020 has been a chaotic, stressful and unpredictable year for everyone. Whilst facing many significant challenges resulting from the global pandemic, thanks to YOU and our partner groups, we have still been able to make an incredible impact for working animals.

Together, we have provided many thousands of working animals with essential veterinary care, fresh drinking water, humane harnesses, blankets, padding and feed. Emergency call outs and rescue of injured, abused or neglected working animals have continued on, despite major lockdowns. We have still reached thousands of people with education on proper animal care and welfare, thereby creating long-term improvements in working animals' lives.

This year has been a tough one but we wanted to share these positive results with you today, as our way of saying THANK YOU for continuing to support AAA's crucial work and for the **enormous difference** you are making for working animals around the globe.

Please enjoy the video below that highlights Janet and Jack's Walk Across Australia and their mission to raise awareness and funds to improve the lives of thousands of working animals around the globe and build an animal shelter in Mannar, Sri Lanka.

This video is a beautiful wrap up of the Walk Across Australia so far, and the positive outcomes that have been achieved so far this year!

Here's What We've Achieved Together for Working Animals from January to June, 2020:

- **20,847** working animals (including donkeys, camels, cattle, shepherd dogs, mares, stallions, mules, sheep, goats and poultry) provided with essential veterinary care
- **593** mobile veterinary clinics conducted
- **428** emergency call outs

- **152** working animals rescued
- **95** major and minor surgeries performed in the field
- **8** veterinary assistants educated
- **300** equines attended to by a farrier
- **41** water troughs distributed
- **14,160** animals benefitted from the distribution of fresh drinking water (including working donkeys, mules and horses, buffalo, cows, bulls, street dogs, goats, monkeys, peacocks, blue bulls, wild boars, foxes and wild birds)
- **1251** blankets, keens/soft back padding and nasal protectors provided for working equines
- **303** humane harnesses made and/or padded for working animals
- **327** cart reflectors and plastic nose pegs distributed for working camels
- **22** humane carts for working donkeys in use
- **130** donkeys, mules and ponies in India + stray donkeys in 71 villages in Kurdistan being fed during COVID-19 lockdown

- **9794** people or families directly benefitting from working animals
- **161** villages directly benefitting from working animals
- **206** educational sessions held for adults or children (including harnessing training, animal welfare, changing mindsets and teaching respect, love and care for animals)
- **9** schools visited for humane education (less than usual due to COVID-19 lockdown)
- **6314** children and adults reached via humane education
- Over **1 million** members of the general public reached regarding humane handling, care and treatment of animals via multimedia strategies (radio, posters etc.)
- **59** rescued animals being sponsored by Animal Aid Abroad supporters

**THANK YOU AGAIN TO ALL OF OUR
SUPPORTERS, MEMBERS AND DONORS FOR
THE ENORMOUS DIFFERENCE YOU ARE
MAKING FOR WORKING ANIMALS!**
