

2021's Fantastic Results... and it's All Thanks to You

&It;&It;First Name>>, with **your help and support**, we are making an incredible difference improving the welfare and conditions of working animals all over the world.

Because of you, every single number below represents a working animal who was **sick, wounded, abused, neglected or abandoned and whose suffering was alleviated thanks to your support and donations.**

We simply could not fund the **mobile veterinary clinics, humane equipment, educational programs, rescue missions and sanctuaries without you.**

Please savour these achievements, knowing that your support has helped to heal, protect and rescue thousands of special animals.

Wishing all our supporters and members a

peaceful and safe Christmas period. 🌲

Best wishes always, Janet and the AAA team.

Positive Outcomes for Donkeys in Zimbabwe

In Zimbabwe, partner group Matabeleland Animal Rescue & Equine Sanctuary (MARES) have reported on a successful November. They held their monthly outreach veterinary clinic in the rural villages of Dete and Nyanyadzi, treating a total of 121 donkeys for eye infections, wounds, deworming, hoof problems, fleas and ticks, and other conditions. They also rescued 2 donkeys in need and issued 60 humane harnesses to improve the welfare of working donkeys in these regions.
