

## What We've Achieved in 2022... Thanks to You!

As another year draws to a close, we want to **extend our warmest thanks to all of our friends, members, supporters, donors and volunteers who are the lifeblood of AAA.** It is only because of caring people like you, &It;&It;First Name>>, that we are able to help so many working animals around the globe each year.

**In 2022, your vital support has allowed AAA to fund veterinary care, animal rescues, humane equipment, education for owners and children, plus fresh water and feed for thousands of vulnerable working animals in need.**

Every number below represents **an animal whose life has been changed thanks to your compassion and generosity.** The statistics speak for themselves and we can confidently say your support has vastly improved the welfare and quality of life for thousands of working animals this year.

&It;&It;First Name>>, thank you again for your ongoing support and we look forward to another fantastic year for AAA in 2023 with you by our side.

# Fifteen Years Dedicated to Working Animals

We're pleased to announce that Animal Aid Abroad had its 15th anniversary in August this year.

**After 15 years of dedication to improving the lives of so many working animals around the world, we'd like to thank all of our valued members, donors and volunteers for your support.**

We will not be formally celebrating this milestone because we do not believe in spending your valuable contributions in such a way. In keeping with our goals, we will continue to ensure that we maximise funds directly in support of the animals.

**With enormous gratitude, from Janet (CEO), Jenny, Yvette, Kirsten, Colleen, Sylvia, Janette, Candice, Renate, Graeme and Elaine (Volunteer AAA Committee & Admin team).**

## **We Are Taking a Short Break. . .**

Our small, hardworking volunteer team will be taking a well-earned break over the December and January holiday period.

However, we will be back online on the 6th of February for our social media pages, with our first newsletter for 2023 due out on Friday, 24th of February.

**THANK YOU again to all of our friends, members, donors and supporters for making such an incredible difference for working animals in 2022.**

**Remember that *saving one animal won't change the world, but it will change the world for that one animal.* With your help, AAA are committed to improving the lives of even more working animals in 2023.**
